MESSAGE FROM THE DIRECTOR

Happy Summertime, as the Director of this Chamber, I have had the honor many times to be involved in some very special events with local businesses, Carthage School, and non-profit organizations, The Farmers Market and your local municipalities. My heart is always happy watching generations gather + enjoy our communities. All this being noted, I haven't been inside the office much and I apologize for that, but I feel that being out in our communities, having my hand on the pulse of our area is super important. Please feel free to reach out to me Via email, Phone call, or text at the following:

Sincerely, Debbie Atkins
